Class Story

In September of the year 1946, a class of anxious Freshmen entered the welcoming doors of Hopkins Academy. The warm welcome and friendly hospitality given to us by the faculty abated our fears as we started on this important phase of our education.

The enrollment of our class that year was 26. Our class soon was divided into two divisions, college and general, according to our choice of courses.

In October we chose our class officers, namely:

President	Edward Tudryn
Vice-President	Doris Hastey
Secretary	Paul Brown
Treasurer	Beverly Williams
Class Adviser	Mr. Austin

Our Freshman year passed very quickly as we gradually became adjusted to high school life.

Sophomores

When we entered Hopkins again as Sophomores, we discovered our class numbered 23. The three members who left us during the summer were Sylvia Lehane, Betty Sarrasin, and Bernard Wezdenko.

The following officers were elected for this year:

President	Joseph Zatyryka
Vice-President	Doris Hastey
Secretary	Helen Szawlowski
Treasurer	Dolores Perez
Class Adviser	Mr. Austin

"Elmer and the Love Bug" was our theatrical contribution with the following class members in the cast: Paul Brown, Shirley Underwood, Beverly Williams, Maryanne Niedbala, Doris Hastey, Pearl Hastey, Gail Stafford, Leonard Yarrows, Eugene Wysocki, Peter Mokrzecki, and Joseph Zatyryka.

Juniors

Our ranks had dwindled to 19 as we began the second half of our high school days.

At an early class meeting in the fall we chose our officers.

President	Joseph Zatyryka
Vice-President	Leonard Yarrows
Treasurer	Gail Stafford
Secretary	Peter Mokrzecki
Class Adviser	Mr. Austin

Some changes were made in the faculty this year as Miss Mildred Thomas, a Hopkins alumna, and Mrs. Mary Kennedy joined us to head the Home Economics and Commercial Department respectively.

Characteristic of our Hopkins days was the title of our class play, namely, "Never A Dull Moment." The cast consisted of the following members: Beverly Williams, Shirley Underwood, Maryanne Niedbala, Pearl Hastey, Doris Hastey, Peter Mokrzecki, Adolph Pipczynski, Leonard Yarrows, and Joseph Zatyрка.

In the spring of the year our class sponsored the Junior Promenade, the biggest social event in the calendar of high school days except for the special events of graduation week. Our classmate, Helen Szawlowski, was selected as "Queen of the Junior Prom" and her attendants were as follows: Maryanne Niedbala, Patricia Thompson, Clara Ziemba, all of Hopkins, and Regina Rogers of Amherst.

Seniors

September of 1949 found us back at the old desks, ready and eager to close out our high school careers. Our class had grown to twenty members with the addition of Virginia Whitney, formerly of Athol.

We were to be Mr. Fred Riel's first graduating class as Principal of Hopkins. Two new faculty members greeted us in the Mathematics and English departments respectively. Mr. Harold F. Hall, University of Massachusetts athlete, and native of Palmer, was appointed to teach Mathematics and Sciences and to coach Baseball. Mr. Hall also was named our class adviser to succeed Mr. Joseph Austin who had transferred to Chicopee. Mr. Leo Mulvaney, a graduate of Holy Cross and the University of Massachusetts, was our new English teacher succeeding Mr. Austin.

Officers elected at our first class meeting are as follows:

President	Gail Stafford
Vice-President	Doris Hastey
Secretary	Helen Szawlowski
Treasurer	Joseph Zatyрка
Class Adviser	Mr. Harold Hall

Acting like big brothers and sisters, we sponsored a welcoming party for our new freshman class in September. This "get-acquainted" party proved successful and officially launched the social season at Hopkins.

Our Senior Play, "Campus Quarantine," a hilarious comedy, was presented in November under the direction of Mr. Mulvaney. The students who demonstrated their theatrical talent were as follows: Peter Mokrzecki, Adolph Pipczynski, Maryanne Niedbala, Leonard Yarrows, John Suleski, Beverly Williams, Pearl Hastey, Gail Stafford, Doris Hastey, Shirley Underwood, and Joseph Zatyрка.

Various money raising projects were attempted during the year. Hot dogs and hamburgs were sold in the laboratory during lunch hours for several weeks. Also Christmas cards and all-purpose cards were sold under the direction of Miss Shirley Underwood who did the "lion's share" of the work in this field.

The only member of the class to take the annual Washington trip during the April holidays was Miss Maryanne Niedbala. Judging from her accounts of the educational and social value of the excursion, many expressed a wish that they had gone to Washington.

Class Day was held June 14 and the graduation week ceremonies began joyously as we happily recounted our years spent at Hopkins. With song and skit we relived our happy days and the final days of high school were rapidly nearing.

Graduation was held on June 15 and the curtain rang down on our high school life. Memories are many and happy.

We have had our "ups and downs," we have had our "stormy and sunny days," nevertheless, we shall always look back upon the happy carefree days of youth spent under the sheltering elms of Hopkins — our Alma Mater. May we ever be true to the ideals we have learned at her benches.

Class Prophecy

Scene—The clubroom of an elaborate men's club in a large eastern city. Two financial tycoons, Joseph Zatyрка and Eugene Wysocki are discussing their old school days at Hopkins while watching the television.

Joseph—Let's turn on one of our favorite radio programs.

Voice over radio (Paul Brown)—Station WXQZ is proud to present the successor to Andre Schubela—your Polish rhyming announcer Mike Fyden—Thank you, Mary. This portion of your program is being brought to you by Kania Super-Duper markets known the country over.

Eugene—Oh, yes, that is Dolores Perez's husband. Who would ever have thought that they would develop into a nation-wide grocery chain?

Joseph—By the way, Gene, I understand that Dolores has hired Mary Ann Niedbala to take over the Secretarial duties as Dolores is busy at home with the children.

Voice over radio—The second portion of our program is sponsored by the BB Manufacturing Company; owned and operated by Edward Fyden—with headquarters in Bunker Hill, Massachusetts.

Eugene—Yes sir, Mike is certainly helping some of his old friends to advertise their products.

Joseph—Let's turn to another station. By the way, Gene, I read in the newspaper the other day that John Suleski has joined his old classmate and brother-in-law Adolph in the Pipczynski Tobacco Corporation.

Eugene—Oh yes, I heard that Adolph has married his old flame Clara Ziemba. John and Adolph must have decided to join forces.

Joseph—Yes, I also heard that Virginia Whitney is now in Montana with her husband Gabriel and they are growing a little forest of their own.

Eugene—They will soon have their own lumber camp.

Joseph—Let's turn on the television and see the Boston Red Sox and their clean up batter Edward Tudryn play.

Eugene—Say, Joe, did you hear the good news? Joe McCarthy has retired and Mike Zenzaver has taken over managing the Boston Red Sox.

Voice over radio—This ball game is brought to you by the Underwood Manufacturing Company; manufacturer of the famous "Undies" for fine women's wear.

Joseph—I heard last night on the radio that Peter Mokrzecki has invented a new super bomb. First came the Atomic bomb; then the Hydrogen bomb; and now the Peter Moore Bomb. Peter Moore's assistant Leonard Yarrows has perfected a better mouse trap using Peter Moore's Bomb. It is guaranteed to kill not only all mice but all other living things for a radius of 1,000 miles.

Eugene—Yes, very practical. You know one of our other fellow students, Pearl Hastey, is married to Joe Zuraw.

Joseph—Beverly Williams is now running an old men's home. It is called the Hadley Home for the Aged.

Eugene—Remember Helen Szawlowski. Well—she is now head of River Path Secretarial School in Shutesbury and she is noted for her typing course.

Joseph—Say, Gene, I just heard that Doris Hastey is the proud wife of the new president of all the A & P stores in the country.

Eugene—Say, listen, Joe!

Voice over radio—Gail Stafford, warden of Sing Sing, announced that there was a big jail break.

Joseph—Oh, yes, I remember how he used to straighten us out in class meetings.

Eugene—Well, I think that covers all our classmates. Didn't we have a GRAND CLASS!!

Eugene Wysocki — Paul Brown — Joseph Zatyрка

Student Council

Each year finds our Student Council growing stronger and becoming more important to the life of the school.

This year the Council has attempted several projects with various degrees of success. Some of the more noteworthy efforts were the Irving Johnson lecture, proceeds from which were turned over to the Student Association; dancing classes, under the direction of the Mooneys from Northampton; assembly speakers; the school paper, known as TOM-TOM; and the sale of candy and pencils.

Through a suggestion box the Council has tried to keep alerted to some of the problems facing both faculty and students.

The officers for 1949-50 were President, Philip Surgen; Vice-president, Paul Brown; Secretary, Maryanne Niedbala; Treasurer, Adolph Pipczynski. Class representatives included: Shirley Underwood, Ann Bak, Robert Cook, Joseph Wanczyk, Joan Stafford, Bernard Banas, and Barbara Kowal.

The work of such a group as the Student Council is vital to the good citizenship of Hopkins' students.

Baseball — 1949

Hopkins, defending champions of the Hampshire League, started baseball practice in early April. Practically all of the 1948 team returned. At first base Coach Riel placed Ed Tudryn; second base, Phil Surgen; short stop, Tony Bak; third base, Harry Evans; right field, Frank McNiff; center field, Joe Wanczyk; left field, Ed Russell; catcher, Paul Brown; and on the mound "Butch" Fyden or Ed Russell when not patrolling the outer gardens.

Coach Riel's greatest problem was to develop a few pitchers; and with these, it looked hopeful for Hopkins again repeating her championship of the Hampshire League. This position was finally filled by "Butch" Fydenkevez, who with a little practice became one of the best pitchers in this area.

In the Hampshire League contest Hopkins defeated Smith's School, St. Michael's, Arms, and Amherst in both encounters. We suffered our lone setback on the Deerfield diamond, but defeated them in the return game thereby winning the Hampshire League for the second consecutive year.

In independent games Hopkins lost battles with Turners Falls, Northampton, Greenfield, and Deerfield Academy. We also had a victory over Greenfield which was considered the high point of our season.

Soccer

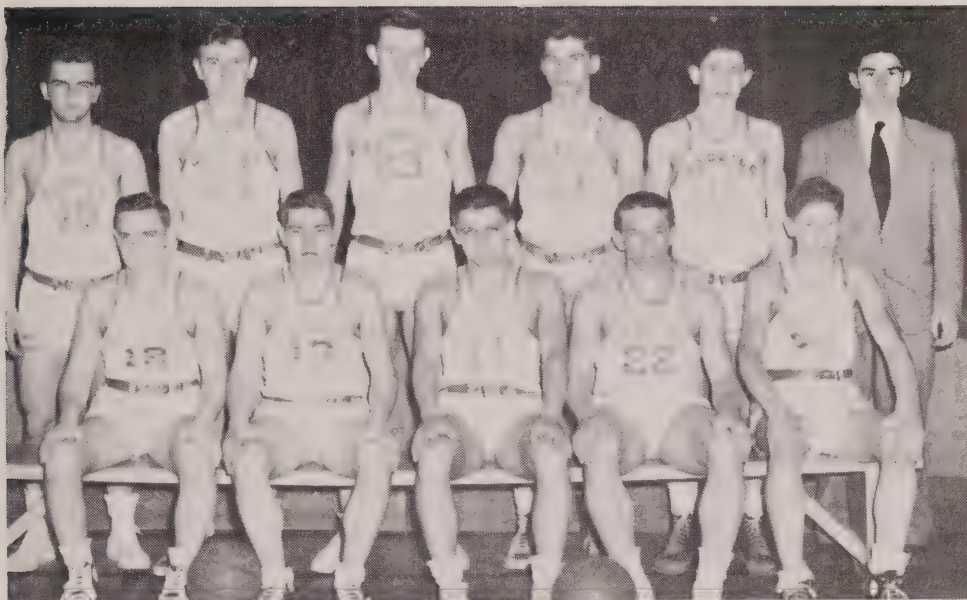

During the 1949 soccer season Hopkins Academy once again fielded a strong aggregation that made a creditable showing in league play and in tournament games. The final tally on wins and losses shows that the boys wearing the spangles of Hopkins garnered six victories, one loss, and one tie in Hampshire League play. Holyoke was the only club to take the measure of the locals in a fiercely fought battle at Mackenzie Stadium. The return game and final one of the season played on the Hadley pitch found Holyoke ekeing out a one to one tie and the annexation of the Hampshire League title. In post season meets the Academy eleven won two games in tournament play only to be eliminated in the semi-finals by fast moving Springfield Tech. Tech leading three to nothing late in the game was fully extended by the Hadley forces sparked by center forward Phil Surgen. The rally fell short and Tech came out on top three to two.

Returning from last years' Western Massachusetts Tournament Champion team were Edward Tudryn, Philip Surgen, Edward Fydenkevez, Paul Brown, and Philip Mazur. Other promising boys were John Suleski, Joseph Wanczyk, John Sullivan, Ernest Sarrasin, Michael Zenzayer, Clarence Babb, Joseph Zatyryka, Leon Konieczny, Richard Russell, and Frank Gnatek.

The line consisted of Phil Surgen in the center forward position. Co-captains, Fydenkevez and Tudryn played the inside. Working in the line were the two wings, Phil Mazur and Joe Wanczyk. The halfbacks were: Sullivan, Brown, and Suleski. Brown was the only one of the three who had played as a regular the previous season. The fullbacks were Mike Zenzayer and Frank Gnatek. Joe Zatyryka was goalie. Substitutions called up Konieczny, Sarrasin, Babb, and Russell. The team's manager was Bernard Wezdenko.

The Hampshire League schedule consisted of eight games, two each with the four league teams. Smith Academy was twice defeated by scores of six to nothing and four to nothing. Easthampton was set back twice 4-0 and 8-0. The only defeat was at Holyoke when Holyoke handed Hopkins a 1-0 setback. The second engagement with Holyoke was a 1-1 tie. Holyoke's league victory over us, plus the tie, gave Holyoke an undefeated season and the Hampshire League Championship.

Finishing a successful Hampshire League season in second place Hopkins entered the Western Massachusetts Tournament. In the opening game we defeated Springfield Classical by a score of 3 to 0. In the next contest the Academy defeated Easthampton for the third time of the season, but, in doing so we lost one of our key-men, Brown. Brown received a leg fracture. Hopkins went on to the semi-finals where Springfield Tech defeated them by a score of 3 to 2, thus ending a successful soccer season.

Basketball

The 1949-50 basketball season saw the fortunes of Hopkins Academy rise to the heights as also did the blood pressure of her most loyal followers. Hopkins won the Hampshire League title in a post-season playoff game which capped the end of a hectic league season, marked with much jockeying for first place. In the course of league play, first place positions were exchanged by South Hadley and Hopkins several times either by victories or by losses; and a post-season tilt was needed to decided the issue. Although the Academy quintet failed in its attempted defense of its Small School crown, it, nevertheless, made a fine showing at the event until dumped to the surprise of many by the fast running Athol Red Raiders.

The varsity was rounded out with Wezdenko, center; Capt. Tudryn and Wanczyk, forwards; Surgen and Fydenkevez, as guards. The more than able reserves were Phil Mazur, John Suleski, John Sullivan, and Leon Konieczny.

In the Hampshire League, Hopkins defeated Amherst, Smith Academy, Orange, Smith's School, and Arms Academy in both encounters. While the games with St. Michaels, Deerfield, and South Hadley were split on even terms.

At South Hadley, Hopkins lost its first Hampshire League game by dropping a hard fought battle with a score of 39-28. This loss made South Hadley the sole occupant of first place. St. Michaels, in defeating South Hadley, gave Hopkins an assist, thus tying up the league. We traded to Deerfield and came out on the short end of a 39-29 contest. This placed South Hadley again in the first place until Hopkins defeated the former in a close return battle, 34-33. The fast St. Michaels quintet was defeated in the first meet but then downed Hopkins in a return game, 36-35. Thus for the third time South Hadley was first in the league race. It now seemed possible for a three-way tie in the Hampshire League between Hopkins, South Hadley, and St. Michaels. With South Hadley in first place and Hopkins and St. Michaels tied for the second, we were again fortunate with a victory over Orange while South Hadley and St. Michaels were defeated by Amherst and Deerfield.

Thus, after a thrilling and an exciting season we ended the Hampshire League tied with South Hadley for the first place. The deciding contest was played after the Small School Tournament. Hopkins was again crowned the Hampshire League Champ for the third consecutive year with a score of 33-31.

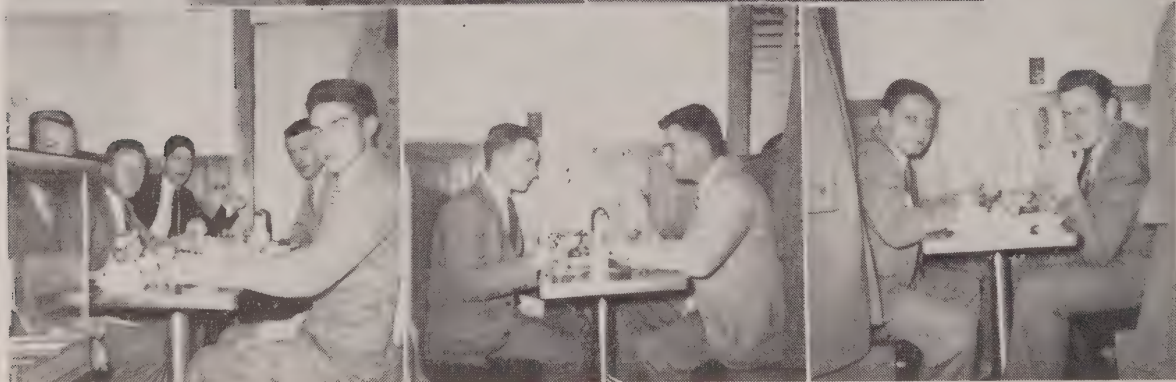

Hopkins was invited to participate in the Western Massachusetts Tournament in Amherst, and officially opened the tourney by defeating St. Mary's of Westfield, 50-36. In the semi-finals we were scheduled to play Athol. We lost this contest after a heart breaking game, the final score was 36-33.

In its independent games Hopkins defeated Easthampton 35-31 and 38-36. It split with Northampton, losing the first, 41-38, and evening up at home with a 30-28 victory.

The 1949-1950 season was a successful one for Hopkins Academy. That the boys played good ball is evidenced by their record. The combine of Surgen and Tudryn made Hopkins a fast team. Surgen, was selected by the officials as a member of the "All Western Massachusetts" team, thereby, bringing a distinct honor to himself and to Hopkins Academy.

In passing, we cannot overlook the prospects for next year. We will lose Capt. Tudryn, Ed. Fydenkevez, and John Suleski in June. However, we can see the nucleus for another championship team in: Surgen, Wanczyk, Mazur, Sullivan, and Konieczny.
